SAH HOPE Consensus Workshop Agenda

A hybrid online and in-person consensus meeting to discuss measurement instrument selection for the aneurysmal Subarachnoid Hemorrhage Core Outcome Set

7:30 — **REGISTRATION**

8:00 — **WELCOME**

Acknowledgement of Country (5 min): **Chris Andersen**
Welcome and opening remarks (5 min): **Shane English/ Chris Andersen**
Patient partner address (5 min): **Maria Luisa Marti**
Overview of the day (5 min): **Gordon Fernie**
Introductions (10 min): **all** – online and in person

8:30 — **BACKGROUND/METHODS**

A COS - specific for SAH – brief review (10 min): **Shane English/Chris Andersen**
Scoping Review Methods Summary (10 min): **Yousif Al-Baldawi/ Jon O'Leary**
Working Groups Methods Summary (10 min): **Sean Patterson**

DOMAIN INSTRUMENT CONSENSUS: CLINICAL DOMAINS

9:00 — ***Aneurysm Obliteration and Rebleeding***

Instrument review (Committee update and performance metrics) (15 min): **Sara Cotter / Shane English**
***Working Committee Leads:** Katharina Busl (Austria), Redi Rahmani (USA), Hemant Bhagat (India)*
Discussion and voting (60 min)

10:15 — ***BREAK***

10:45 — ***Delayed Cerebral Ischaemia and Cerebral Infarction***

Instrument review (Committee update and performance metrics) (15 min): **Sara Cotter**
* **Working Committee Leads:** Mervyn Vergouwen (Netherlands), Vicki McCredie (Canada), Chiara Robba (Italy)*
Discussion and voting (60 min)

12:00 — ***LUNCH***
